# Variation on a Theme

The unity here at our school is one that you don't find most places. We all come from different places on earth: all over the United States and many other countries. Our backgrounds are all so very unique, impacting the way we see the world. But even with all of these differences, we have one common ground and that is Christ. We are all here "to know Christ and to make him known". The passions that God has put in each of us to bring us to this place are all different and yet all for the same purpose of bringing God glory.

God has worked in and through each of us this year. This book is a reminder of those ways that God has used us to help someone else know God's love and also to see how God has blessed our lives in this place. Our unique lives this year at school also have a common thread of Christ. **Each of our stories is a piece of a puzzle and together we form a beautiful masterpiece showing God's grace and power.** When you look back on this book when you are at a different stage of life, I pray that you will be amazed at the things that God did in and through you here at CIU and that you will remember the unity that we all have together because of Christ.

"Behold, how good and how pleasant it is for brethren to dwell together in unity" Psalm 133: 1

# Letter from the President

Dear Class of 2012,

As your time at Columbia International University draws to a close, another piece of your "life puzzle" fits into place. While the puzzle may appear incomplete, you know that God continues to work mightily in your life.

That work began in your mother's womb (Ps. 139: 13) and continues because you are fearfully and wonderfully made (v. 14), created to do good works for Him. God knows how the puzzle of your life fits together. He sees the "big picture."

I remember a story of a father who encouraged his family to put together jigsaw puzzles without the picture on the box. Though initially difficult, the picture began to take shape. And so it is with our Heavenly Father, the One who created the picture of your life. For some of you, that big picture has a few small pieces to be put into place; for others, the picture is just emerging.

There is a larger puzzle of which you are a piece, **impacting the nations with the message of Christ.** Just like individual puzzle pieces come together to form a larger picture, we have come together, uniquely made and individually gifted, to share with a lost world the message of Christ. One God, one Spirit, one Purpose, many parts.

After graduating from CIU you will pursue the next "puzzle" piece of your life. Some of you will continue your education at CIU, others will enter fulltime ministry in churches or on the mission field, while others will find themselves serving Christ in the marketplace. Continue to add pieces to the puzzle of your life, knowing that God has the "big picture" already in place.

Mark 1:35,

Bill Jones  
President  
Columbia International University

# And The Dedication Goes To.....

Here at Columbia International University we look towards accountability throughout our Christian walk while attending the university. We are surrounded by great friends and faculty to help us along in this portion of life along with a wonderful threesome of Chaplains that their whole mission is to be there for us, pray with and for us and counsel us as we figure out what God's plans are for the next step in life as well as the here-and-now.

When we (the yearbook staff) were deciding on who the dedication for the 2012 yearbook should go to we thought who better to dedicate it to than the three most influential people on campus that have an impact in each of our lives whether single or married.

Here's to our Chaplains: Donna, Marshall and Brion for making our lives that much more barable when life seems at it's worst! They are always pointing us upward towards Christ in every situation and building us up to be better men and women of God.

**CHAPLIN DONNA THOMPSON**

Donna Thompson was born in Camden, SC on June 9, 1952. She and her family lived in many places while she was growing up, due to the fact that her father had a career in the US Army. She came to know Christ at young age while she was living in Hawaii. Later, she moved to Panama and finally back to Camden, SC. She recieved a Bachelors Degree in Education from Winthrop in Rock Hill. Afer, she spent several months on a short term missionary trip to Peru and then returned to the Camden area to teach in elementary school. By this time, God had put a real love for counseling, missions and encouragement in her heart. And so she followed God's leading by attending Southwestern Baptist Theological Seminary where she received a Master's in Religious Education with an emphasis in counseling. It was during this time that she met her husband, James Thompson. They were married on December 30, 1978. They have served churches in Columbia and in the Upstate of South Carolina for the past 31 years. During this time, Donna has also been busy teaching and discipling women at every place along the way. Before she came to CIU in 2002, she was a member of the faculty at Southside Christian School in Greenville, SC where she taught Bible for several years. Currently, it is her joy to pour into the lives of the students at CIU. Donna has been married to her best friend for over 33 years and she is the proud mother of two married sons, Jim (Sara) and Daniel (Sarah).

Brion Burns was born in North Dakota. He joined the Navy in 1974 and was in for 6 years. He met his wife, Dianne, while stationed in Charleston, SC. They married in 1978.

Brion then came to Columbia Bible College in 1979. He graduated in 1983 with a degree in Biblical Studies. He taught 5th and 6th grade for about 10 years at St. Christian Academy and worked at UPS for about 15 years. He got his Masters and Doctorate at CIU.

In 1996, he took on the position of Dean of Married Students and then later that title changed to the Associate Dean for Student Life. He meets with students, counsels, does discipleship, does marriage counseling, does premarital counseling, preaches at weddings, works with the chapel team, and is an encouragement to his favorite team that he works with in Student Life.

He and his wife have been married 34 years and have three children-Josh(32), Alison(29) and Ryan(28). They all live close by in the Columbia area.

Brion's hobbies are reading, working jigsaw puzzles, and cheering for his Boston Red Sox, Boston Bruins, Boston Celtics, and University of Southern Cal as he says, "the real USC".

GRADUATION DAY: PICTURED WITH DAN DELOZIER, DAVID OLSHINE, PAT BLEWETT AND JACK LAYMEN

This photo pictures Marshall with one of his single men, Nate Thompson, while Marshall and his wife, Susan, were celebrating their 25th wedding anniversary in Yellowstone National Park and Nate was serving in ministry there over the summer.

Being the Chaplin of the men means a lot of male bonding time. Marshall Davis opens up his home to the single men on campus every year and has a great time of prayer and fellowship!

Marshall was born in Rhode Island and attended Hope College in Holland, Michigan. He became a Christian through his roommate there, Glenn. In high school, Marshall was an excellent runner but had running injuries in college. This was a pivotal event that allowed him to be receptive to Jesus and ultimately accept His gift.

Marshall met his wife, Susan, when Glenn married her best friend Tammy. The Lord has blessed them with 26 years of marriage!

This is Marshall's 6th year at CIU. He enjoys connecting with students and hosting the resident floors out to the house each year. Like Brion Burns - he loves the Red Sox baseball team, the Bruins and the Patriots. He also loves our dog Freckles. Him and his wife thoroughly enjoy spending time in the National Parks. He served with ACMNP (A Christian Ministry in the National Parks) in college at Yellowstone. Now he serves on their Board. Marshall loves to read and share time with friends and family.

A photograph of two young women sitting outdoors on a grassy area. The woman on the left is wearing a bright green long-sleeved shirt and blue jeans, smiling warmly. The woman on the right is wearing a purple and white plaid button-down shirt, also smiling, and has her arm around the first woman's shoulder. The background is a soft-focus view of a grassy field under bright, natural light.

# Welcome Week 2011

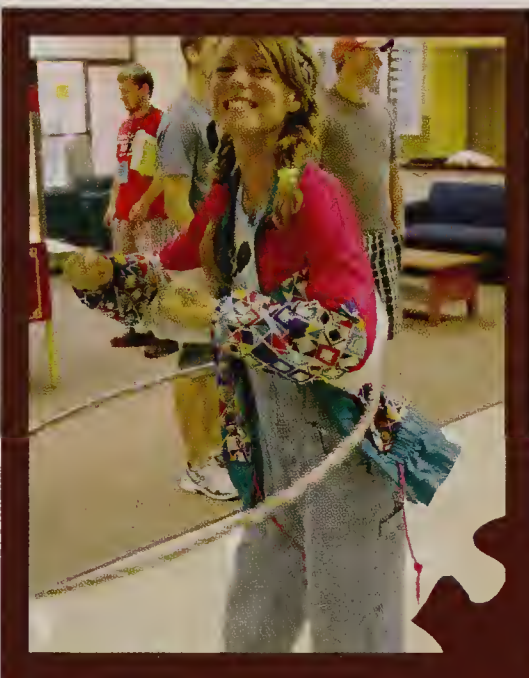

~~Connect: CIU is the week before classes start and it's absolutely crazy yet awesome! It's full of fun, experiencing caf food for the first time, and bonding with our fellow class mates for the next four years. Throughout the week, you organize your class schedules, buy books, bond with people on your hall, and go on a pretty sweetscavenger hunt! The schedule seems to go nonstop, but it's a once in a lifetime experience for sure!

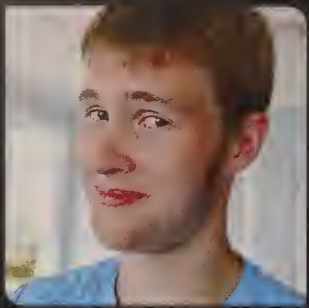

"I liked just about everything about Connect: CIU. There was 'nonstop going' so the super busy schedule made for a huge relief when I received my class schedule. We went from doing things all day everyday to having a balanced schedule. What I liked most about it was the very first day. My mom drove up to Founders and we saw all the upperclassmen in blue shirts, I was overwhelmed with excitement. The reality hit me that I was actually in college. I stuffed my face in my pillow that was sitting on my lap and let out a huge scream... a few people laughed at me, but shockingly, they shared my same excitement! Sho far, SOOOO good!

# Summer Adventures 2011

Here at CIU we love to have adventures and our summers reflect this. These are the testimonies of some students who gave their summer to the glory of God and served Him where ever they were.

Anisa Dahm

I went to Haiti and stayed at a refuge for women and orphans. Our initial purpose for going was to bring supplies of all kinds and aid, but we later learned that it was the love of Christ that they desired and needed the most. God's love filled that place and inspired even us.

Rodica Malancea had the awesome opportunity to stay in the US this past summer and be involved in a youth conference as a counselor, in Greenville SC at the Evangelical Institute.

Heather Gonda- Guyana, South America- We went on a mission trip to visit the church family that Lexington Church of Christ has been sponsoring in Guyana for over 10 years. We really just spent time with the families and had times of fellowship and worship with one another.

Chelsie Grose and Madison DeBever went to Londonderry, Northern Ireland this summer to help out at a church's youth group. We were there for a total of 5 weeks doing cross cultural youth ministry, as well as leading a small group of American teenagers that came with us.

Paulina Campis traveled to India. Here she is with a group of women who live in the slums in Calcutta.

I had the privilege of having a small part in the Canadian Badlands Passion Play which is the story of Jesus' ministry, death and resurrection. This last year it was based on the book of John. My part was a recorder player. I had a wonderful time acting and helping to share "The Greatest Story Ever Told".

Laura McGahey. Two weeks in July, my youth group went to Romania. We built a playground for and taught VBS to a group of school children. It was an amazing and humbling experience that God used to impact not only the lives of the children, but also every person that went on the trip.

One of the unsung aspects of the missiological education here at CIU is the opportunity to gain first hand cross cultural experience without leaving campus through the numerous international students. CIU WivesFellowship/ International Bazaar featured tables representing assorted countries with cultural items and food samples available.

I went north, to New Hampshire and worked. I was a "tour guide" which meant that I worked at the different rides. This job was different because I was in a completely secular environment yet God taught me so much about his love for the world and the power for the Gospel.

Christi Steyne- I nannied two kids over the summer and was able to share the Gospel with them and their mother.

Haven of Hope is an orphanage where a group of CIU students went and served at among other places, we served the children there presenting the love of Christ. In Ghana beach, we were presented an opportunity to share the Gospel.

# Denny Terrace Tutoring Ministry

Tutoring is one aspect of CSL at CIU, it is run by a group of students who care about the kids next door.

## CSL

CSL stands for Christian Service Learning, it is a great opportunity to reach out and show Christ to those around us. Some students do tutoring, some do ministry at Kirkland Correctional Facility, some do worship for their local churches and youth groups, and the list goes on and on! CSL really emphasizes the core value of World Evangelization because our ministry starts out locally then continues to grow, as long as we allow God to work in and through us!

"I remember one inmate in particular who really lightened up the mood that day and everyday that I went back. I was sitting down engaged in a conversation when he said, "I sure am glad they put those walls and razor wire up, because I didn't want any of those crazy people out there coming in here!" It caught me by surprise, but as I got to thinking about what he said, it made sense. You see, when we think of "Prison" or "Correctional Facility," we think of crazy, hardened criminals who got what they deserved but the majority of the people I meet in there are genuine and "normal" people who just got caught up in the wrong stuff. Now, they are paying for their actions and decisions they made out here in the real world and they have accepted what they've done, but so many of them have turned from those decisions and have accepted Jesus Christ their Lord and Savior.

Whenever I interact with the students that are enrolled at Kirkland, I am constantly enthralled by God's grace. It was his grace that brought them through the toughest things. I always leave remembering the grace that has been given to me in my life. Sure, I have never been into drugs or gangs, but ultimately we are all damned from the get go. See, we are all sinners in need of God's grace; we just have different ways of getting to the final product, the final product being glorifying God by what HE has done to save our wretched lives. Whether we are behind razor wire or not behind razor wire, we are still image bearers of God. We are all trying to get through this life." -Fabien Pering

# Pieces of our lives

# Oh how we've grown...

God has also worked through the building of the new library. On May 8, 2010, CIU's library went through a fire that destroyed a number of books and most of the library, but during the time of waiting, God was faithful in providing the temporary Book Barn for the students on campus to use. The Book Barn had a good number of books that were not affected by the fire and was very useful to all students on campus! Even when things came up delaying the renovating of the library, God was still faithful to us during that time.

As a school and a community in Christ, we are so thankful for what God has done for us, what He is doing, and what He will continue to do for us here at CIU!

Glory to God forever.

The line "Glory to God forever" by Fee fits perfectly with the renovation of West and the new library that opened in the spring semester of the 2011-2012 school year. God has blessed us richly at CIU, providing the funds for West so that the renovated dorm would be up in time for spring semester!

Each semester there are a few students who enjoy their studies in a different location other than the campus of CIU. In the Fall 2011 Semester 3 students studied in both Germany and Israel.

# Occupy Fleece

The first night back to campus this spring semester was an eventful one. The G. Allen Fleece Library was going to open the next morning and some great people had an idea to spend the night on the lawn in front of the library as a celebration, not a protest, of the library opening. This long awaited event was joyfully received by many who came out in support.

# CIU 5k & Fun Run!

February 3, 2012 was the first 5k run on CIU campus to raise awareness of the CIU athletics and campus.

# Last Words...♦♦♦from the editor

If you had a chance to say one thing to all of CIU what would you say? That is my situation here in this moment. I want to tell all you guys how great our God is to give us such a place to study and learn. This book will hopefully be a reminder to you of the great things that God did in your life during this past year.

My goal for this yearbook was to bring glory to God. I also wanted to help all my fellow students see that even though we are all from different places and backgrounds that in Christ we can work together to strive for the one purpose of bringing God glory. This purpose is the one that makes life worthwhile.

If each person is a piece of the puzzle of life than the masterpiece that God has created must be amazingly beautiful. God has the ultimate plan and can see the big picture that all of our pieces of the puzzle fit into. The daunting question now is do we trust the Lord who holds all this in his hand. May we allow God to work in our lives and to mold us into his beautiful image to bring him glory.

Soli Deo gloria  
Carpe Diem
